# Kindness Day Celebration 2026

**Dear Parents,**

Greetings from Surana Vidyalaya!

Kindness begins with small actions that create a big difference. We are excited to celebrate **Kindness Day** with our Grade 3 students, encouraging them to embrace the values of caring, sharing, helping, and supporting one another.

The celebration will feature engaging activities such as:

- Sharing books and learning materials with friends.
- Creating kindness messages and appreciation cards.
- Participating in small acts of kindness.
- Learning the importance of empathy and helping others.
- Spreading positivity through thoughtful gestures.

Through these activities, students will discover how simple acts of kindness can build stronger friendships and create a happier school environment.

**Let's make kindness a habit and spread happiness through every little action!**

**Warm Regards,**
Principal,
Surana Vidyalaya
